

# ★ Happy New Year 2026

Let's herald into the New Year with a heart filled with love and gratitude. The turning of the page offers an opportunity to honor the journey that shaped you, and a chance to rise to your highest.

I wish that 2026 gives you the courage to take audacious leaps of faith, the wisdom to pause and the grace to flow with life.

Choose to live fearlessly with a child like innocence and laughter. Celebrate every moment, relationship and opportunity to the fullest.

Life is a gift filled with magic and miracles. Enjoy the wonders and beauty of life everyday.

As we embrace new beginnings, I'm delighted to share that from January, I will be sending a special monthly note - Champions Mindset by Ashu Khanna delivered once a month on a Tuesday.

These reflections will offer deep insights and practices to strengthen your inner leader and help you navigate the year with clarity, courage and conscious intention.

Here's to new beginnings...

With Love & Light,
